

ISADORA PINZER

INTERIOR DESIGNER

ABOUT ME

Looking to contribute to a progressive Interior Design or Architectural Firm with a focus on Interior Design and 3D rendering. Working alongside multidisciplinary teams, I am dedicated to crafting intentional interior designs that thoughtfully connect interior architecture, environmental psychology, and sustainability. Through 3D rendering and visualization, these design concepts can come to life.

SKILLS

- Revit
- Enscape
- Lumion
- Sketchup
- Chief Architect
- AutoCAD
- Rendair AI
- Indesign
- Photoshop
- Illustrator
- Premiere Pro

EDUCATION

ENDICOTT COLLEGE

Beverly, MA

Graduated in May 2024

- Bachelors of Fine Arts in Interior Architecture
- Fall Semester 2021, Danish Institute (DIS), Copenhagen, Denmark
- Dean's List | 2 Semesters

EXPERIENCE

INTERIOR DESIGNER

March 2025 - Present

Vance Stein Architecture & Interiors - Beverly, MA

- Coordinated multiple projects simultaneously across residential, hospitality, healthcare, academic, commercial, and affordable housing sectors, from client consultations to on-site meetings.
- Utilized Revit, Enscape, Rendair AI, and Adobe Creative Suite to produce design drawings, illustrative 3D renderings, and polished visual layouts for design proposals, client meetings, and firm marketing.
- Supported FF&E specification, quoting, and procurement while organizing biweekly product representative presentations and maintaining the in-house material library.

INTERIOR DESIGN INTERN

July 2022 - April 2023

LYF (LaGrasse, Yanowitz & Feyl) Architects - Andover, MA

- Contributed to diverse projects, including multi-family, high-rise, corporate, hospitality, and residential environments.
- Produced detailed construction documents and realistic 3D renderings utilizing Revit, AutoCAD, Enscape, and Bluebeam.
- Supported architectural phases, including site planning, exterior window placement, and structural documentation.

INTERIOR DESIGN INTERN

June - August 2021

A. Lee Interior Design - Derry, NH

- Conducted client consultations across New England to determine design goals, solve spatial issues, and document measurements.
- Managed diverse projects, including residential kitchen/bath remodels, new construction, and small commercial spaces.
- Acquired proficiency and utilized Chief Architect to prepare CAD drawings.

ACCOMPLISHMENTS

- Semi-Finalist in 2022 IES Fixture Design Competition
- Rendering featured in Endicott College Spring 2021 Student Invitational
- President of Endicott Percussion Ensemble, Fall 2020 - Spring 2024
